Pendant

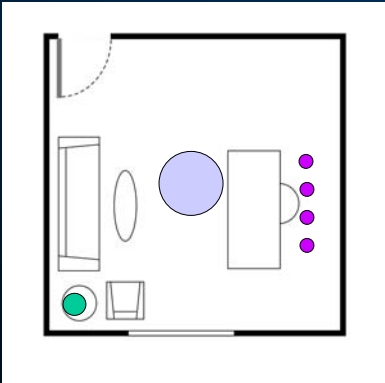

Wall Washers

Table Lamp

The diagram shows a floor plan of a room with a doorway on the left. A blue circle is positioned in the center of the room, representing a pendant light. On the right wall, four purple dots are arranged vertically, representing wall washers. In the bottom-left corner, a green circle is placed on a table, representing a table lamp. Red lines connect these symbols to their respective labels on the right.

..... *Legend Method*

Legend:

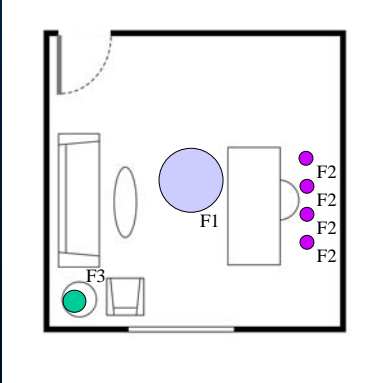

- Pendant
- Wall Washers
- Table Lamp

The diagram shows the same floor plan as the previous slide. To the right of the floor plan is a legend. It consists of the word 'Legend:' followed by three entries: a blue circle next to the word 'Pendant', a purple dot next to the words 'Wall Washers', and a green circle next to the words 'Table Lamp'.
